“The Leukaemia Foundation was established to meet the special needs of patients diagnosed with Leukaemia, Lymphoma, Myeloma and other blood related disease. The Foundation also facilitates collaboration between the scientific, medical and pharmaceutical professions across Australia. HIGH POINT AWARDS

Standardbred: Most Successful stallion/Gelding & Most Successful Mare

Mark Sagona lost his 13 month battle at the age of 26 – far too young! Mark loved horses and attended Truganina Braybrook Pony Club as a young teenager. Mark introduced our family to the Standardbred by purchasing our first Standardbred while at Pony Club. This show, aimed at raising money to support other families against their fight with Leukaemia, is our tribute in his memory. We hope that you attend and support our cause, helping us to raise money for a worthy cause dear to our hearts.
