OPERATIONAL ISSUES

Judging Commences and Continuity:

- **Competitor Numbers:** will be allocated, via email, in the week prior to the show. While pre-bookings allow us to have all horses contesting each class listed, you are required to display your competitor number to aid judges when calling horses from the line-up.
- We will not have the availability of amplified announcements. It is therefore the responsibility of all competitors to be aware of where judging is at, within the program, and to be ready for their classes.
- Active class numbers will be displayed at the entrance to each ring.
- Rings 1 & 2 (LED) will commence at 9 am.
- Be aware of and watch for ring changes for some sections of the led program (detailed in this program) – especially some Championships.
- Judging will continue through the program using split and combined rings, so check the show program.
- **Harness:** judging of the 3 harness classes and Championship will be during the break between the led and ridden sections of the program.
- **Lunch:** there will be a 30 minute break, for lunch, immediately after judging of the harness classes.
- On request, a judge may delay the commencement of a class (with suitable notification) for a maximum of 5 minutes.

Championships:

- Horses / riders placed 1st in their classes are to present for the judging of the Championship and Reserve Championship awards.
- Any horse / rider that comes 2nd to a Champion is eligible to contest for Reserve Champion and must remain ringside until the Champion has been selected. If the horse you came 2nd to is sashed Champion, you go into the ring to contest the Reserve Championship.
- Please watch for possible ring changes for some Championships – they are detailed in this program.
